SUBJECT: Coordination on Visits to Detachments

1. Regarding the cable [] (9807) I showed you earlier today on [] visit to [] I cannot understand why OSA permits such a visit to be made to [] on intelligence matters without prior coordination with both Operations and Intelligence. I hope that in the future no such visit will be made, particularly to a detachment, without Intell being able to coordinate in detail the reason for and the substance of the visit.

2. May I please ask you to bring this matter to the attention of the front office in hopes that we may preclude just anybody going to the detachment to discuss matters relative to OSA Operations.
